Revenants Command & Conquer : Generals Zero Hour (2007) PC | Lossless Repack from R.G. Revenants Description: A new project that offers players around the world to return to the era of the struggle for world domination between the two superpowers - the United States and China. In Command & Conquer: Generals Zero Hour the developers added new features, new units, new abilities, new buildings and more.

Also new storylines were added to the game. Unfortunately, there are some minuses in the game. This level will test your attention. In front of you on the screen will be three pictures. Two of them depict the people, on the third one the animals. You need to find three differences between them. They are not very difficult to find, but still, when you look at each picture, you will have a little time not to make a mistake. And this is what all three pictures look like. In this level you need to remove all the red blocks to get to the finish line. Once you complete the task, you will be prompted to open the next door. You will move to where there are even more difficult tasks. In total you will pass through 3 levels, each of them will have 7 tasks. For the passage of all levels will accrue stars. If you reach 100 points - you can get a new puzzle.
